

Independent auditor's report to the Police and Crime Commissioner for Nottinghamshire

In our auditor's report issued on 26 February 2025, we explained that we could not formally conclude the audit and issue an audit certificate for the Police and Crime Commissioner for Nottinghamshire ('The Police and Crime Commissioner') for the year ended 31 March 2024 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had completed the work necessary in relation to consolidation returns, including Whole of Government Accounts (WGA), and the National Audit Office (NAO) had concluded their work in respect of WGA for the year ended 31 March 2024. The NAO has now concluded their work in respect of WGA for the year ended 31 March 2024 and confirmed that audit certificates that are open in relation to this can be issued. We are therefore satisfied all audit work necessary has been completed.

Disclaimer of opinion

In our auditor's report for the year ended 31 March 2024 issued on 26 February 2025 we reported that, we did not express an opinion on the accompanying financial statements of the Police and Crime Commissioner or the group. Because of the significance of the matters described in the basis for disclaimer of opinion section of our auditor's report, we were unable to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Report on other legal and regulatory requirements - the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

In our auditor's report for the year ended 31 March 2024 issued on 26 February 2025 we reported that we have nothing to report in respect of whether the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024 except on 24 January 2025, we identified a significant weakness in the Police and Crime Commissioner's governance arrangements and arrangements for improving economy, efficiency and effectiveness. This was in relation to the ongoing work needed to place the Force in a position where it consistently provides a good standard of service to fully exit His Majesty's Inspectorate of Constabulary and Fire & Rescue Services' (HMICFRS) Engage monitoring status and remove HMICFRS' causes of concern.

We recommended that the Police and Crime Commissioner should ensure the Chief Constable continues the work of Operation Catalyst to facilitate exit from HMICFRS' enhanced scrutiny arrangements. It should continue to focus on delivering and sustaining the improvements required to address HMICFRS' three causes of concern and appropriately resourcing the oversight and monitoring of the ongoing suite of actions.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

Responsibilities of the Police and Crime Commissioner

The Police and Crime Commissioner is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Auditor's responsibilities for the review of the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Police and Crime Commissioner's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Police and Crime Commissioner plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Police and Crime Commissioner ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Police and Crime Commissioner uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Police and Crime Commissioner has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

Report on other legal and regulatory requirements – Audit certificate

We certify that we have completed the audit of the Police and Crime Commissioner for Nottinghamshire for the year ended 31 March 2024 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.
