**Request under the Freedom of Information Act 2000 (FOIA)**

I write in connection with your request for information, which was received by Nottinghamshire Police on 04/04/2013.

Following receipt of your request searches were conducted within Nottinghamshire Police to locate the information you require.

Please find below answers to your questions:-

**RESPONSE**

Under S 1 (1) (a) of the Freedom of Information Act 2000 (FOIA), I can confirm that Nottinghamshire Police does hold the information you have requested.

**I am looking for information about insurance claims made by staff against the force. Please could you provide me with the following:**

- 1. The number of compensation claims made by individuals over the last two years (up to and including April 2013).**
- 2. In each instance, please can you specify the role/rank of the staff member. If possible, please could you provide the age and gender of the claimant.**
- 3. For each case where a claim has been made, please could you provide the amount (in pounds sterling) of the initial claim, the reason (please provide exact type of injury etc - not category), and, if applicable, the amount paid out.**

**4. Please could you provide a date for each compensation claim submitted.**

**If FOI requests of a similar nature have already been asked could you also please include your responses to those requests.**

**Clarification received 16/04/13  
Nottinghamshire Police staff only**

This information is not recorded in an easily retrievable format. Records relating to compensation claims and information about individual cases are not held centrally and could potentially be located across more than one department. To locate, retrieve and extract the requested information requires a manual search of all records held in order to identify any records in relation to your request. The work necessary to identify the number of records and their specific content would certainly exceed 18 working hours.

This letter constitutes a refusal notice under Section 17(5) of the Freedom of Information Act 2000 with Section 12(1) of the act being applied

12. – (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

Should you wish for the Force to continue with your request, a more accurate figure will be provided within a fee's notice. The cost will need to be paid by you, prior to any further investigation. Please advise if you wish to proceed.

Due to the large number of records that would need to be searched, I am unable to suggest a refinement that would bring the request within the cost threshold unless you wished to reduce the number of questions asked.
