

Keep
your jewellery
safe

Don't make yourself a target for opportunist thieves:

- At home, lock your doors and windows and keep jewellery out of sight.
- Invest in a burglar alarm and remember to turn it on.
- Insure your jewellery and keep your policies up-to-date.
- Photograph your jewellery and register it online at www.immobilise.com to help improve the chances of being reunited with your jewellery if it is lost or stolen.
- Security mark your jewellery using products like Smartwater or SelectaDNA.
- Be discreet with jewellery in public places.

If you see someone acting suspiciously or suspect someone of dealing with stolen jewellery, please contact Nottinghamshire Police on 101 or call Crimestoppers anonymously on 0800 555 111
