

Reduce the risk in six steps

Foil Farm Intruders

Foil Farm Intruders

1. Consider putting up signs aimed at poachers/illegal off-roaders warning that they will be prosecuted
2. Check the identity of all visitors and make sure they are accompanied wherever possible
3. Keep your land tidy and quickly remove any fly-tipped items so they do not encourage other to follow suit
4. Improve the visibility around vulnerable areas so fly-tippers are not hidden from view
5. Note down the vehicle registration and a description of any intruders
6. If you can do it safely, video record/photograph what is taking place- even using a mobile phone camera
